

Bleu Infini

Stylish La Clusaz chalet for 16 with cinema, sauna and lift

Enjoy breathtaking views from this contemporary La Clusaz ski chalet near pistes and village

Chalet Bleu Infini ...

If you're looking for something stylish and a little different, Bleu Infini will tick all your boxes. This stunning chalet for 16 (13 adults) has been cleverly designed over four floors, all of which are connected by a lift.

The chalet has been built into the side of the mountain, so while you enter on the ground floor at the front, by the time you get to the top floor, you can walk straight out into the garden.

Chalet Bleu Infini is in a great location too, with panoramic views over La Balme ski area, the Fernuy piste and towards the Beaugerard plateau. It's a short drive to the shops and restaurants of La Clusaz, and the lifts and pistes are a few minutes away. If you'd rather not drive, the ski bus stops at the end of the road.

In summer, it's a lovely walk to the lake at Confins, or along the river into La Clusaz.
